POLICE DEPARTMENT
2015 BUSINESS PLAN

EXECUTIVE SUMMARY

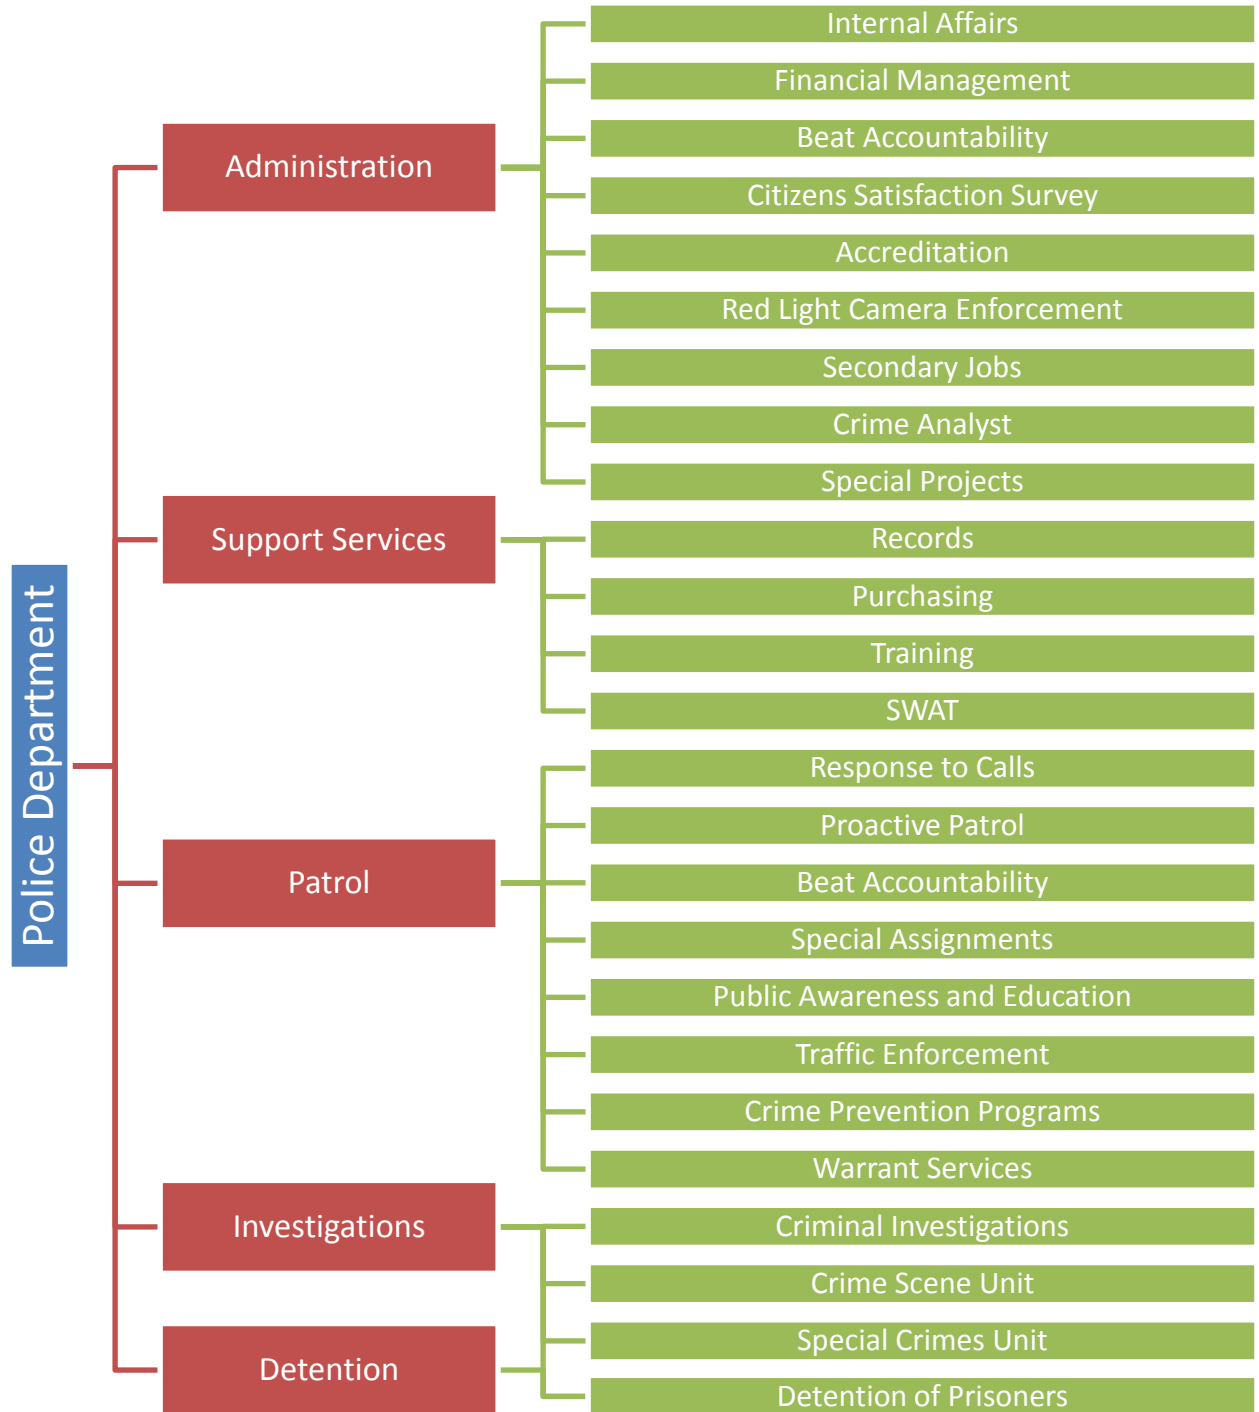

The Business Plan for the Sugar Land Police Department is a road map of the programs and services we provide to our citizens. Our core functions include: Administration, Patrol, Special Weapons & Tactics (S.W.A.T.), Investigations, Records, Property & Evidence, Detention, Training, Accreditation, and Recruiting. The Plan not only addresses the effectiveness and efficiency of services provided today, but is also used to plan for our growth and future needs.

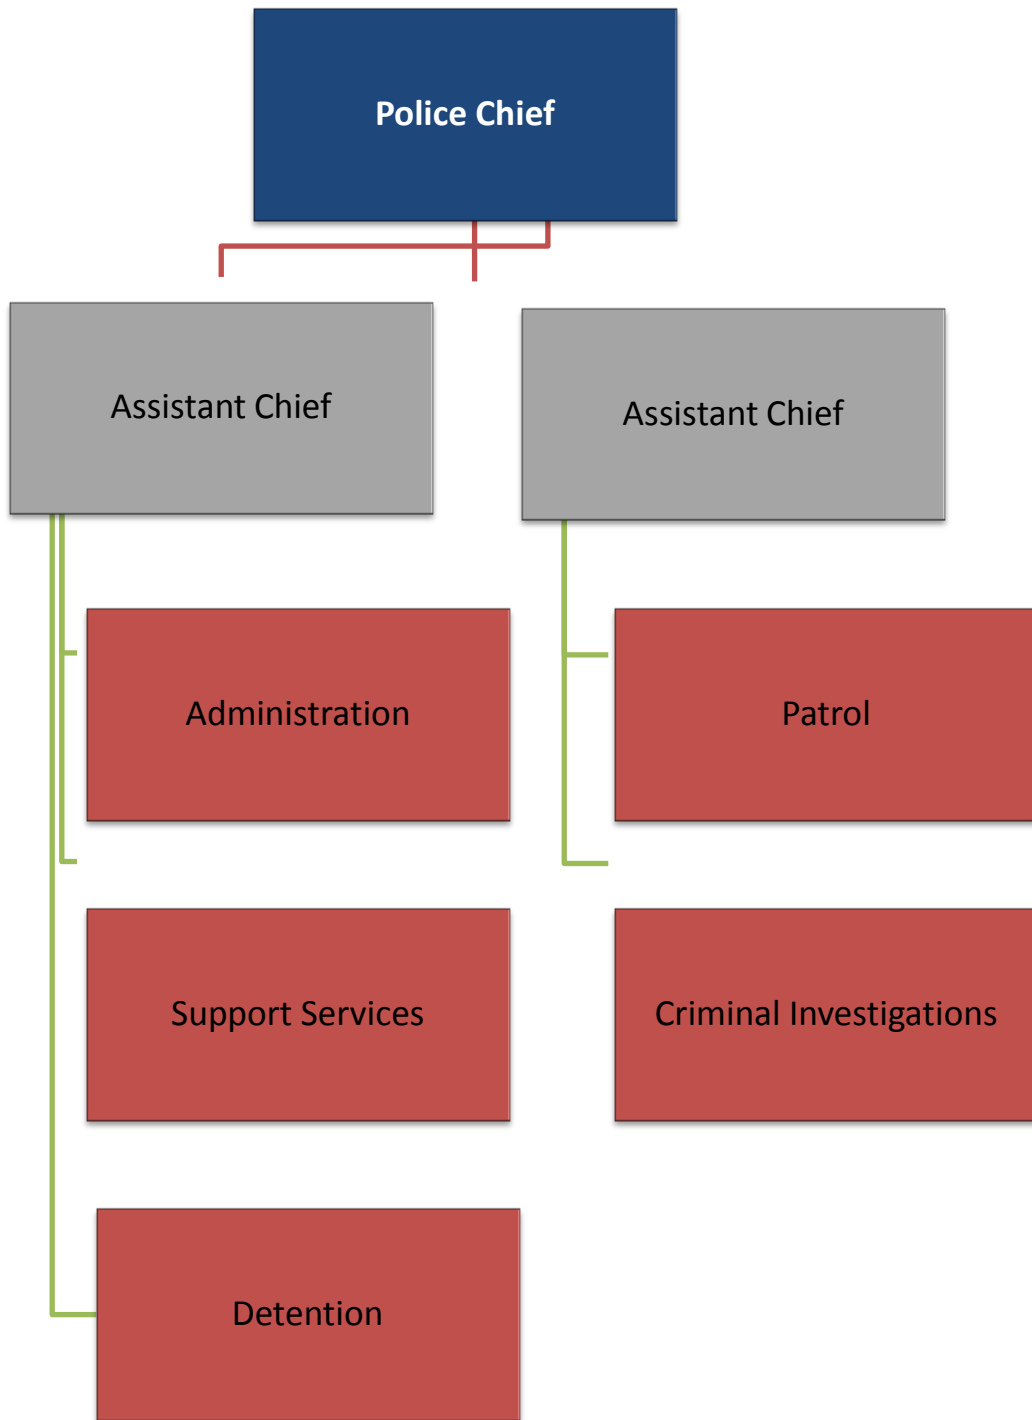

Each individual service the police department provides is described in detail along with accompanying service level objectives and measures. Ultimately, the Business Plan ties each program or service back to the Police Department's Mission and Citywide Goals.

MISSION STATEMENT

The Sugar Land Police Department places an emphasis on quality law enforcement, crime prevention, and community policing. The overall goal of the organization is to develop partnerships and joint problem-solving techniques with the community that will increase the safety and quality of life for residents and visitors of The City of Sugar Land.

2015 PROGRAM OF SERVICES

ADMINISTRATION OF THE DEPARTMENT

PROGRAM SUMMARY

Administrative Services are provided 8:00 a.m. to 5:00 p.m. Monday through Friday. Chiefs and Assistant Chiefs oversee daily operations to ensure the efficient and effective delivery of services by the department to assure responsible city government.

SERVICES AND SERVICE LEVELS

Service: Internal Affairs

Addressing disciplinary issues and the investigation of internal complaints as part of personnel management. Outputs include changes in policies and personnel action when required to include recognition or disciplinary action as required.

Service: Fiscal Management

Ensure financial responsibility within the department by overseeing budget operations. Financial management also includes overseeing the department's inventory and locating, applying for, and managing grants.

The department analyst is responsible for monitoring expenditures on a daily basis and notifying the chiefs of any discrepancies, issues, or questionable spending. Year-end projections are updated on a monthly basis by the analyst to identify any surpluses or deficits that need to be addressed. Outputs also include grant management and inventory control.

Service: Beat Accountability Management

Crimes and problems in the City are managed at the beat level, and administration conducts on-going analysis of the beats and beat team concept. Monthly meetings are conducted with the beat managers utilizing the Comp Stat format of analysis to monitor and evaluate results.

Beat Accountability meetings are conducted on a monthly basis, with the patrol lieutenants responsible for a specific beat. Their responsibilities include the identification of any crime issues or trends in their beats, and development of a plan to address the issue.

Service: Citizens Satisfaction Survey

Every three years the city conducts a citizen satisfaction survey. This survey allows for the police department to gauge and measure the citizen's satisfaction of police services, police response to calls as well as visibility patrols as noted by the citizens.

Service: Accreditation

Administration directs the establishment and compliance of a clear and complete set of policies that direct departmental services in a manner consistent with City Goals and policies. It provides employees with a clear and concise explanation of department expectations and requirements to assure that we provide responsible City government by developing and maintaining a championship workforce, and also provide procedural policies to guide the department.

Accreditation includes the compliance and formation of policies as required by the Commission on Accreditation for Law Enforcement Agencies (CALEA.) Reaccreditation occurs on a three year cycle, and the administration sergeant oversees this process.

Service: Red Light Camera Enforcement

Administration assures that all violations are reviewed prior to the issuance of a citation, and makes court appearances when required. The red light cameras have increased the safety at intersections to address the objective of predictable travel times with minimum congestion and maximum safety.

Red Light Camera Enforcement efforts are measured by counts of the violations and fines, the number of court appearances, the revenue collected, and a comparison of the number of accidents occurring at the intersections before and after the lights were installed. The Chief of Police directs the program and designates staff to perform the day-to-day activities of the program, which include viewing all violations, issuing citations as justified to the registered owner of the vehicle.

Service: Secondary Employment

Administration ensures all personnel are in compliance with policy regarding Secondary Employment. Which means any agreement or arrangement under which an employee receives money or other thing of value for performing any type of work for any person or entity, other than for the department as an employee, regardless of whether it is performed as an employee or independent contractor, and includes off-duty and extra duty employment.

Service: Crime Analyst

Create and Analyze police data regarding the locations and rates of crime. Create weekly, yearly reports regarding all police activities.

Service: Special Projects

Administration oversees all special projects not directly related to a specific department or unit which benefits the overall goals of the department. Examples may include the City-wide camera project, License Plate Recognition program, and the purchase of a new RMS/CAD system.
